

Flagler County Intergroup Inc.

The interest in Flagler Intergroup is once again growing. Just this April 2024 we became a non-profit corporation in Florida. Currently, we are discussing the proposed By-Laws that will take the place of any previous guidelines. These new by-laws will govern how we conduct our future Intergroup meetings, elections, what is a group, who is an IG rep, etc. so please make sure your IG rep attends all future Intergroup meetings, to ensure your group has a say in the adoption of them. If your home group doesn't have a IG rep, please consider electing one, and an alternate, to represent your group. Dates, times, and places for all intergroup meetings can be found on the Events page of our website.
