The reason for Lunch is half of our old timers can not drive at night!

Inter group will copy and pass out flyers.

Get a topic: Toss it out. This is from what I have heard informal. Not a meeting just a get together. But do what you want to do. I guess the biggest topic is the senior sobriety getting together.

- Keeping the program pure alcoholics.
- New meeting topics. Discussing the right things in our meetings.
- Taking care of the old timers. Getting them to events and meetings.
