Secretary's Report -

- Motion to accept March meeting notes was made and 2nd all in favor

Chair Comments – Glenn F

- Secretary and Treasurer position are rotating out and are in need of filling, please try to recruit
- Purchased wireless microphone for events that allows 100 ft from the base. Will work with our existing sound system. District is welcomed to use this as well for their quarterly workshops
- Suggested that each group consider doing a periodic inventory as suggested in The AA Group Pamphlet
- Rent is going up to \$20 a meeting at the Silver Dollar Club II and no longer providing coffee. Groups will be responsible for their own coffee and supplies. The coffee pot maker will remain to use
- Please remind your group that a dollar in the basket is not enough to cover costs. It was suggested you should put in the basket the cost of your last drink. Or Give what you feel you're getting out of it. But certainly consider the rising costs and the same dollar twenty years ago is not the same dollar today. We are self supporting through our own contributions
