Gratitude Dinner

- A huge success and most have said it's the best Gratitude Dinner to date. Thank you to Life's a Beach and The Round Table. The event's total cost was \$4,270 and with 50/50 funds a total of \$5,598 was collected. This was not part of the gratuity basket for the servers which was a total of \$1075 divided by 5 servers. The servers and the events coordinator for the facility were all very pleased with our event and have welcomed us back.

- Aaron had asked if any of the profit could help support the two groups who hosted the event, discussion primarily geared to each group being self-supporting. Glenn will investigate further for clarification. Discussion of using the profit to fund deposits for next years events was also discussed.
- A new sound system was also mentioned and Jenai will bring more information back to the group in December consideration
- Move the 50/50 raffle and book signing into the room by the stage to allow faster seating
- Could we add Dancing to the event

Spring Picnic – Need Group to Host

- Space has been reserved at the Hammock Community Center for April 12, 2025
- Two groups are interested in hosting the even A New Beginning and the 24 Hour Group, this might be a jointly hosted event
- More events were mentioned like a Winter's Dinner, however, the event coordinators feel it's too close to prepare for 2025 but interested in adding that to 2026
- A summer event around the 4th of July will be added
