Flagler County's Quarterly Newsletter: January, February, and March '2023

There are many groups and celebrants missing from our Promises database and lists, I hope to and will try to correct this problem within this first quarter. I have reserved pages 3 and 4 for additional anniversaries and welcome all updates. My # is 386.569.4137.

You may find some promises information redundant as our website contains all current, recurrent, and upcoming events. This newsletter will hopefully, add detail or graphic content when not included on our website: <https://aaflagler.org>. However, there will be instances when you will be asked to use the website to find details, such as the locations of groups, etc.
