6. Old Business:

7. New Business: Topic introduced regarding District 22 and Intergroup relationship. Ideas and thoughts about supplies, what is our role at intergroup vs. district? Cost of workshops being free vs. cost of events. Discussion ensued. Decision made regarding storage of materials. Bins will be stored for District 22 in the Intergroup storeroom. District will keep their supplies in these bins, marked with "District 22" on them.

New Topics introduced to be discussed at a later date:

- 1) Arrange a system for groups to exchange speakers. Perhaps form a speaker exchange committee.
- 2) Create a Communication facility, such as newsletters or bulletins letting groups know about each other; having a format for groups to present their group inventories to Intergroup. What are we doing to attract newcomers? Some discussion ensued, stating that the Promises Newsletter provides this information. And the Experience, Strength and Hope speaker meeting is pulling in lots of newcomers and visitors to hear speakers.

8. Adjournment

9. Closing

- Responsibility Statement at 6:00 p.m.:
