CPC/PI:

Our last committee meeting met on Aug. 10. Had 2 members present.

My activities this last month include getting the order in for pamphlets I mentioned in our last meeting. We have begun to distribute them, Belinda works in Mental Health, we got a small pamphlet rack for her to display at her workplace. Advent Health Primary Care + requests lose pamphlets to have on hand for their patients. I met with the head of Drug Court for Flagler County, explaining to him that AA is available as a resource.

I attended Area Assembly July 24th to 26th . I participated in CPC and PI workshops.

I attended the Florida State Convention in Orlando Aug. 6th to 8th . I participated in all CPC/PI related workshops, as well as other workshops to meet others involved in General Service work.

I attended our very own Service Workshop, presenting the Co-Operation with the Professional Community committee. The Public Information committee was represented by Melanie, our Area 14 Public Information chairperson. Approx. 44 were in attendance for the presentations and games.

Upcoming events include the "Hope Foundation Annual Overdose Awareness Walk" Aug 31 at 6pm at Veteran's Park, Flagler Beach. This is the first time they have invited "outside" participation from 12 step groups in the district. We will be set up at the park, offering literature and making the public aware of what the Co-Operation with the Professional Community and the Public Information committee does. (Steve F 501-259-6677)
